

Terms and Conditions of Sale

1 General

- 1.1 Unless otherwise agreed in writing, these Terms and Conditions of sale (the "Conditions") apply exclusively to each Contract for the sale of goods or services (the "Goods") by Curve Works BV ('the Company') to a purchaser of Goods or Services (the "Purchaser"), (together the "Parties"). Any additional or different terms or conditions proposed by the Purchaser are expressly objected to and will not be binding upon the Company unless specifically assented to in writing by the Company. Any order for, or any statement of intent to, purchase hereunder shall constitute assent to these Conditions.
- 1.2 "Contract" means the purchase order signed by the Purchaser and accepted by the Company in writing, together with these Conditions. Notwithstanding that a quotation has been made by the Company no Contract exists between the Company and the Purchaser until the Company accepts the Purchaser's order in writing or through issue of an invoice.
- 1.3 Unless otherwise specified in writing by the Company, any quotation by the Company will expire 30 days from its date and may be modified or withdrawn by the Company prior to receipt of the Purchaser's acceptance.

2 Price and payment

- 2.1 The price of the Goods (the "Price") is the Company's quoted price or if no price is quoted, the current list price of the Goods and is exclusive of VAT, delivery, packaging, carriage and insurance, which shall be paid by the Purchaser in addition to the Price. The Company reserves the right to increase the Price at any time to reflect any increase in its costs because of any factor beyond its control or any changes in delivery dates, quantities or specifications requested by the Purchaser or any delay caused by the Purchaser's failure to provide adequate information or instructions.
- 2.2 Subject to credit approval and unless the Parties agree otherwise, the Purchaser will pay the Price (whether or not the Company has formally demanded it) within 14 days of the date of the invoice unless otherwise agreed in writing. Payment shall also be made if insignificant components are missing but usage of the delivered Goods is not rendered impossible.
- 2.3 If the Price is not paid in full when due, then, without affecting any of the Company's other rights or remedies, the Company may cancel the Contract and/or suspend performance of any delivery [any cost incurred by the Company in accordance with such suspension (including storage costs) shall be payable by the Purchaser]; charge interest at 4% a year above the RaboBank base rate at the time on all unpaid amounts; withdraw all credit facilities extended and require immediate payment of all outstanding invoices issued whether or not they were due for payment; and/or cancel and withdraw any trade discount allowed on the Price.

3 Delivery

- 3.1 Delivery and dispatch dates quoted are approximate only and the Company is not liable for any delay in the delivery of the Goods. Partial delivery will be permitted. If the Company agrees to deliver the Goods other than at its premises, the Purchaser shall pay for carriage, insurance and any other delivery costs. The export terms in Condition 9 apply to Goods to be delivered outside of The Netherlands.
- 3.2 If the Purchaser fails to take delivery of the Goods or fails to give adequate delivery instructions then, without affecting any of the Company's other rights or remedies, the Company may store the Goods until actual delivery takes place and charge for the reasonable costs (including insurance) of storage. The Company may, after 30 days, sell the Goods at the best price readily obtainable and (after deducting reasonable storage and selling expenses) account for the excess over the Price or charge the Purchaser the amount of any shortfall.

- 3.3 Any claim by the Purchaser relating to Products which is based on any defect in material or workmanship, a failure to correspond to the specification agreed in writing or for non or incorrect delivery (whether or not delivery is refused by the Purchaser) must be notified to the Company within 3 working days from the date of delivery. If delivery is not refused, and the Purchaser does not notify the Company accordingly, the Purchaser is not entitled to reject the Goods and the Purchaser will be bound to pay the Price as if the Goods had been delivered in accordance with the Contract.

4 Risk and property

- 4.1 Risk of damage to or loss of the Goods passes on delivery or, if the Purchaser wrongfully fails to take delivery, at the time when delivery is tendered.
- 4.2 Property in the Goods does not pass to the Purchaser until the Company has received full payment of the Price (plus VAT and other applicable charges) and all other sums due to the Company from the Purchaser. Until property in the Goods passes to the Purchaser, it will hold the Goods on the Company's behalf, and will keep the Goods separate from its goods and those of third parties, properly stored, protected, insured and identified as the Company's property; and the Purchaser shall not pledge or charge the Goods by way of security or otherwise. Breach of any of the provisions of this Condition will result in all monies owing by the Purchaser to the Company (without prejudice to any other right or remedy) becoming immediately due and payable. The Purchaser is entitled to resell or use the Goods in the ordinary course of its business, subject to the following: (i) if the Goods are combined or intermingled with other goods, the Purchaser hereby transfers his/its ownership rights in the new goods to the Company in the amount of the invoice value of the Goods; (ii) if the Goods are resold by the Purchaser, the Purchaser hereby transfers to the Company its claims arising from the aforesaid resale in the amount of the invoice value of the Goods. As long as the Purchaser is honouring its payment obligations, the Purchaser shall, however, be authorised to collect its resale claim which has been assigned to the Company. Until title to the Goods passes to the Purchaser, the Company may require the Purchaser to return the Goods and, if the Purchaser fails to do so, the Company may repossess the Goods. The Purchaser hereby grants the Company an irrevocable right to enter, with or without vehicles, any premises for the purpose of inspecting or repossessing the Goods.
